CHAIRMAN

2301 North Cameron Street

DATE: March 10, 2022

SUBJECT: March 2, 2022, Over-Order Premium Hearing
Briefing schedule

TO: Interested Parties

FROM: Robert N. Barley
Chairman

Despite two pre-hearing and one immediate post-hearing requests to have the transcript available by March 8, 2022, Sargent's Court Reporting did not deliver the transcript on March 8 and apparently will not deliver the transcript until March 15.

Due to the compressed time frame the Board will not change the briefing schedule announced at the hearing. We understand that this is not ideal.

We appreciate your understanding.
